WARNING AND DISCLAIMER

The permit which has been issued is issued upon the implied conditions that

- (1) at the time of its issuance, the applicant has complied with all existing requirements;
and
- (2) during actual construction, all existing standards and requirements covering and controlling such construction are complied with.

If at any time during construction, the project is found to be in non-compliance in any manner whatsoever, construction will be stopped until such steps are taken as will bring the project into compliance.

No action or failure upon the part of the city or its employees or agents shall excuse any non-compliance, nor give rise to any liability on the part of the city or its employees or agents.

Situations most frequently giving rise to non-compliance are failure to locate a building so as to comply with appropriate set-in standards or to have inspections made at appropriate times.

Issuance of permit is specifically made subject to the conditions contained in paragraphs 1 and 2 and acceptance thereof.

Please read, sign, and date receipt and acceptance of these conditions.
